## We've Got You Covered

Whether you need a roof for your new build, are updating the look of your current home or are replacing an old and worn out roof we can help you select the material, look and colour that will meet your needs. We can show you a variety of colours and profiles of fibreglass shingles or metal roofing options. When you have made your choice our installers will remove your old shingles and put on the new.

## Rainwater Can Cause Serious Damage to Your Home.

High-quality, low-maintenance eavestrough will prevent rain and snow from damaging your home. We can install vinyl or aluminum eavestrough to complement your siding and rest assured your house will get noticed.

# Siding

## Protect Your Home

New Siding not only protects your home from the elements but can also enhance its value and curb appeal. Choose from a wide selection of wood, vinyl and composite products and let **HICKEY'S TIMBER MART** skilled installation professionals handle the rest.

**We**   
**Deliver**

At **HICKEY'S TIMBER MART** we know how important it is to get your building materials to your home or job site on-time and with the right delivery equipment. Our extensive delivery fleet and Expert Delivery Team can help. Our boom trucks can place your shingles directly on your roof, and our piggyback fork lifts can place your order exactly where you want it. **HICKEY'S TIMBER MART - We Deliver.**

**Improve Energy Efficiency**

Installing new or replacing old, worn windows will lower heating and cooling bills, add value to your home and make it more comfortable. A **HICKEY'S TIMBER MART** Window Expert will come to your home to discuss your needs and will take window measurements. Your windows will be installed by a licensed, professional Window Expert.

**Casement**

Casement windows offer the simplicity of modern design with maximum ventilation. They are hinged on either side to allow the sash to open outward, left or right, in a swinging motion.

**Horizontal Slider**

Popular for their streamlined look, sliders have two sashes – one stationary sash and one that slides on grooves or tracks. The operating sash removes easily for cleaning.

**Single Hung**

Best suited for traditional architectural styles, hung windows have a fixed sash that ensures an airtight seal for greatest efficiency and years of reliability. Available as single or double-hung.

**Exterior & Interior Door Installation**

With so many door choices, it can be difficult to know which style and material is best suited for your style and functionality needs. That's why the **Hickey's** team is here to help. Together, we'll look at your existing style and provide a few options that will work with the look you are trying to achieve and the budget you've set for the project. Our installers will take care of the rest, including removal of your old door.

**WE**   
**INSTALL**

# Blown-In Insulation

## Looking to Stay Warm & Spend Less?

Blown-In insulation won't settle, decay or provide food for animals or microbes, it's fire resistant and noncombustible. Perfect for attics, nonconforming and hard-to-reach spaces. We provide top quality service with little disruption to your home and family. After the job is complete we leave your home clean and tidy. See the difference on your utility bills and feel the comfort in your home.

**WE**   
**INSTALL**

# Heat Recovery Ventilation

**Bring Fresh Air Into Your Home  
Without Letting the Heat Escape**

Heat recovery ventilation creates an airtight, energy efficient home that's also healthy and well-ventilated. Let us help you get healthier, fresher air.

**WE  
INSTALL**

# Ductless Mini-Split Air Conditioner / Heat Systems

## No Ducts? No Problem.

Heat or cool any room the energy-efficient way. Perfect for older homes without ducts or where ducts cannot be added, additions to homes such as bedrooms, sunrooms, smaller vacation homes or cabins. Installation is quick and easy but must be installed by a qualified licensed HVAC technician in accordance with all applicable codes. All electrical connections should be performed by a licensed electrician. Ask us about our qualified installers.

**RUNTRU**

## We're Your Local Authorized Trane/Runtru Dealer

### Quality. Dependability. And, It's Backed By Trane.

Trane is a highly dependable HVAC brand with quality products that are tried, tested and built to last. Their effective heating and cooling systems provide year-round comfort and are backed by a 10 Year Parts and Compressor warranty at no extra cost when registered. RunTru by Trane offers exceptional value at an affordable price with efficient operation that will save you money in the long run.

### Certified Installers

At **HICKEY'S** our team of experts will see your projects through from start to finish. When you purchase a RunTru by Trane Ductless Mini Split system, we include Professional Installation by a Certified Refrigeration Technician.

# WE INSTALL Decks

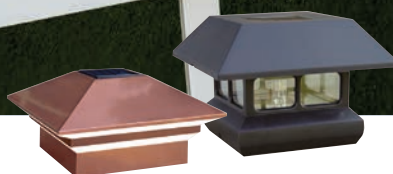

## Get the Deck of Your Dreams

We've got all the best selection of building materials and accessories and our three-dimensional design software will create a design, material list and accurate quote at no charge - and you'll be relaxing on your deck sooner - when our professionals build it for you.

## Materials For Any Lifestyle or Budget

Choose from Cedar with its rich colour and natural resistance to rot, decay and insects, the preservative protection of Pressure Treated or great looking, maintenance free Wood Composite. We can build your deck in the material of your choice.

## Add Style & Design With Accessories

We can take your deck or fence to the next level with assorted railings, railing hardware, post caps, iron lattice, fence/gate inserts, gate hardware, arched gates, decorative accents and more.

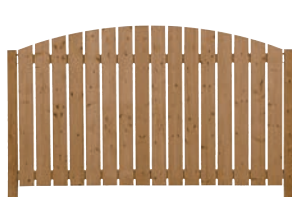

## We're TrexPro® Builders

As certified TrexPro® Deck Builders we have the ability to offer talented insights on all Trex Decking projects. Our experienced installers have knowledge of all Trex products and are here to craft the deck of your dreams.

# WE INSTALL Fences

**A Well-Designed Fence** adds aesthetic and safety value to your home. It can provide protection and privacy to your property. Whether your fence is intended as a subtle backdrop or a landscape focus, whether you want to highlight or perhaps hide your home's architectural features, **HICKEY'S TIMBER MART** will install the fence that's right for you.

Stop by the **Torbay Rd.** store and talk to **Brett** our Garage Specialist, with over 20 years experience.

**INSTALL**  
**Garages**

**WE**   
**INSTALL**  
**Sheds**

### More Than Just a Parking Spot

Whether it's for vehicles, additional storage space or even a workshop, no other structure can add the versatility and value that a garage can. From one car to multiple vehicles and all of your outdoor gadgets, **TIMBER MART** garage plans are available in a variety of sizes and styles to suit your needs. We can recommend top quality materials to ensure that your garage project will be completed with professional results.

### Custom Changes

If there's something special you need we'll make custom changes to any plan to suit your requirements. Our Project Experts will help to assess your needs, determine quantities, recommend products and advise you about suitable alternate products to meet building code requirements and provide quotes for your project.

### Custom Designed or Ready-To-Build Sheds

A shed is a great way to increase storage space without the expense of a large-scale addition like a garage. **TIMBER MART** shed plans offer effective and attractive ways to store anything from toys to tools, garden supplies to garden tractors. We have the plans, materials and know-how to construct a large variety of outdoor structures, sheds, playhouses and bunkies to provide you with the extra space you need.
